

Our Mission:

To connect, engage, and advocate for arts and culture across Portage County.

We achieve this by:

- Connecting artists together in community
- Building relationships between artists and businesses
- Making art and culture opportunities accessible
- Forming partnerships between artist and educators
- Creating opportunities for emerging artists to learn and develop

Connecting Portage County to its Arts

Speaking Up for the Arts

The Arts Alliance of Portage County is a nonprofit organization created to build community through artistic expression and culture. The Arts Alliance works to promote the art and culture opportunities already available to the public produced by local artists and organizations. We also work to increase awareness of arts and culture through our programming.
